### **Developing a biblical view of singleness:**

1. Like marriage, Singleness is a good \_\_\_\_\_ from God (6-8)  
(James 1:17; Matt 7:11; 1 Cor 12)
  
2. Live for God where you are: Singleness usually has fewer \_\_\_\_\_  
in difficult times (25-28)
  - Seek:
  
3. An advantage of singleness can be an easier \_\_\_\_\_ from the  
temporary stuff of this life (29-31)  
(Matt 22:30)

4. Don't waste singleness, it is a God-given \_\_\_\_\_! (32-35)  
(Col 1:10)

- Singleness offers an incredible opportunity to give undivided time, service, and attention to the Lord (32-35)

5. The decision to get married is between the individual and God. BOTH  
ARE \_\_\_\_\_ AND GOOD! (36-38)  
(Is 56:3-5)

6. Marriage is a \_\_\_\_\_ commitment, but if your spouse dies,  
you may remarry or experience the joy of undivided devotion again (39-  
40)

**Impactful Singleness: Living in undivided devotion to God  
celebrating God's calling to singleness and using it to serve God in  
extraordinary ways**

Equipping - Memorization:

*1 Cor 7:35 I say this for your own benefit, not to lay any restraint upon you, but to promote good order and to secure your undivided devotion to the Lord.*
