Attempts to get around scripture . . .

- **Women are not inferior or less significant/important than men!**
- From our constitution: We believe that there is a created order between man and woman. The man was created first, and then woman from the man (Gen. 2:18-23). The woman was created as a “helper” for the man (Gen. 2:18; 1 Cor. 11:3 ff.; 1 Tim. 2:14). The biblical order concerns functions and roles, not superiority and inferiority. We believe that there is an absolute equality of man and woman before God (Gen. 1:26-28; Gal. 3:28).

Quiet: (shhhhh?)

All Submissiveness:
